PHOTOGRAPHY EXHIBITION

'Au cœur de mai 68'

1st – 31st May 2018
Art Gallery, AF Chandigarh

On the occasion of the 50th anniversary of 'mai 68', the Alliance Française de Chandigarh is delighted to host a special exhibition featuring 43 previously unpublished images of the May '68 protests taken by acclaimed photographer Philippe Gras and discovered after his death in 2007.

PHILIPPE GRAS
PHOTOGRAPHER 1942-2007

Philippe Gras was an independent photographer, but more important, he had an independent mind, refusing all compromises. All his life, he directed his camera towards works, themes and artists in whom he believed, and with whom he nurtured a deep relationship. He aimed also his camera at social phenomena which were important for him.

Milou en Mai (1990)

Friday, 4th May 2018, 17h30
Art Gallery, AF Chandigarh
Duration: 1h48, with English subtitles

Une vieille dame s'eteint dans une grande demeure du Sud-Ouest. Son fils, Milou, qui a soixante ans et qui s'occupe de la propriete, convoque pour l'enterrement son frere Georges et sa belle-soeur Lily, sa niece Claire, sa propre fille, Camille et le reste de la famille. Mais nous sommes en mai 1968. Depuis deux semaines Paris est à feu et à sang...

Madame Vieuzac has just passed away in her house in Southwestern France, far from the hue and cry of Paris in May, 1968. Her son, Milou, who has always lived with his mother, summons the rest of the family for the funeral. Children and grand-children of the dear departed are delighted or displeased to find themselves together again. But the "events" happening in Paris catch up with them: the grave - diggers are on strike and the funeral cannot be held.

Art Gallery, AF Chandigarh

May 1968: France is on the brink of a revolution. This documentary takes those being interviewed back in time and highlights the complexities of memory as many of those who participated in 1968 explain their thoughts of those events today.

9 mai : la Journée de l'Europe

Lors de cette journée, les citoyens européens commémorent la Déclaration de Schuman, qui a lancé l'idée d'une coopération économique européenne en 1950. Petit à petit, cette organisation internationale s'est développée jusqu'à devenir l'Union Européenne telle qu'on la connaît aujourd'hui.

À cette occasion les étudiants de l'Alliance présenteront par groupe les pays de l'UE qu'ils auront choisis. Cet événement aura lieu le mercredi 9 mai à partir de 12h30 dans la cafétéria.

9 May: Europe Day

On this day European citizens commemorate the Schuman Declaration, which gave the idea for a European economic cooperation in 1950.

Slowly and gradually, the international organisation evolved to become the European Union we know today.

For the occasion the students of the Alliance will present in groups the member States of the EU which will be selected by them. This event will take place on Wednesday 9th May from 12:30 AM in the cafeteria.

LA VIE DE CHÂTEAU (2016)

Friday, 1st June 2018, 17h30
Art Gallery, AF Chandigarh
Duration: 1h20, with English subtitles

Paris, station Château d'Eau. Charles est le chef d'un groupe de rabatteurs employés par les salons de coiffure afro du quartier. Charismatique, Charles règne sur son bout de trottoir où on le surnomme le « Prince ». Il est même sur le point de s'installer à son compte et de racheter le salon d'un barbier kurde dont les affaires périclitent. Mais un service rendu à un ami jaloux et l'ascension sur le boulevard d'un jeune rival aux méthodes plus agressives vont l'entraîner dans une dangereuse spirale dont ses rêves, sa réputation et sa garde-robe ne sortiront pas indemnes.

In the vibrant African neighbourhood of Château d'Eau in Paris, Charles is the smoothest of all the hustlers. His job: to fill the districts numerous hair salons with customers. But when the competition is tough and everybody's trying hard to be number one, dirty tricks are just around the corner.
Fast talk, tall tales, tailored suits and secrets of the heart... Welcome to Chateau!

DANS LA COUR (2014)

Friday, 20th July 2018, 17h30
Art Gallery, AF Chandigarh
Duration: 1h37, with English subtitles

Antoine est musicien. A quarante ans, il décide brusquement de mettre fin à sa carrière. Après quelques jours d'errance, il se fait embaucher comme gardien d'immeuble. Jeune retraitée, Mathilde découvre une inquiétante fissure sur le mur de son salon. Peu à peu, son angoisse grandit pour se transformer en panique : et si l'immeuble s'effondrait... Tout doucement, Antoine se prend d'amitié pour cette femme qu'il craint de voir sombrer vers la folie. Entre dérapages et inquiétudes, tous deux forment un tandem maladroit, drolatique et solidaire qui les aidera, peut-être, à traverser cette mauvaise passe.

Antoine is a musician. Now into his forties, he abruptly decides to give up his career. After several days of doing nothing, he gets a job as a concierge. Mathilde lives in the old building in the east of Paris where Antoine finds work. This dynamic and generous retiree spends her time involved in charity work and overseeing the building's management.
One evening, she discovers a worrying crack in the wall of her lounge. Little by little her anxiety increases and turns into panic. She begins to wonder whether the building is going to collapse. Antoine slowly becomes friends with this woman who he fears will sink into madness. Between slip ups and worries, the pair form an awkward duo, both supportive and a little peculiar, which will perhaps help them get through this bad patch.

PAINTING EXHIBITION

THE REVERBERATION WITHIN
Painting Exhibition by
Guruvinayak Budhwar

Inauguration on 13th July
5:30 PM
Art Gallery, AF Chandigarh
On view till 31st July

His paintings are a melody of bright colors and dark realities. He first put his brush on the canvas when he was 14, mostly self-taught, is a rather unconventional painter. He mostly doesn't mount his paintings to allow their colors and thoughts mingle with the real world. His inspirations are drawn from the oddities of the society and poetry. Each of the colors that he puts on his canvas are a mélange of multiple pigments to give the most natural tone.
